Your Small Business Server Community

The Triad SBS Group is comprised of Microsoft Partners, System Builders, IT Consultants and SBS end users. Our mission is to create an environment of synergy through networking, education and relationships that empower each member to better deploy, support and use Small Business Server and complimentary SMB products to their fullest potential.

Goals for Our Members:

- Become a local resource for others in need of SBS guidance.
- Network with other SMB IT professionals and end users.
- Share and learn ways for IT Pros to better manage and grow their businesses.
- Share and learn from other members SBS experiences.
- Explore and share ideas in new, improved or unique ways to utilize SBS.
- Learn, practice and promote "best practices" for SBS deployment and support.
- Become a unified voice to Microsoft and other SMB vendors.
- Provide Microsoft and other SMB vendors constructive feed-back.
